LHOTSE 2000; Milan Romih; Slovenija / 2000 / 44'

Predstavitel filma na travniku pred Hotelom Plesnik ob 21. uri:

Slovenska odprava, ki je potekala med 7. aprilom in 9. junijem 2000, je uspešno preplezala četrto najvišjo goro sveta. Devetnajstega maja ob 10.25 po slovenskem času sta vrh 8516 metrov visoke gore osvojila Milan Romih in Aco Pepevnik. Film pa ni zgolj prikaz plezanja na visoko goro in s tem povezanih aktivnosti, ampak se osredotoča tudi na vprašanja o odvisnosti lokalne ekonomije od turistov in plezalcev ter s tem povezani gorniški etiki, ne uidejo pa mu niti značilna razmišljanja alpinistov o smislu življenja.

PARAGLIDING IN LOGAR VALLEY

Impulse; 070 703 078 (Peter Ramšak), info@kyk.si

LHOTSE 2000; Milan Romih; Slovenia / 2000/44'

Movie premiere on the lawn in front of the Hotel Plesnik at 21.00 hour:

Slovenian expedition, which took place between 7 April and 9 June 2000, successfully climbed the fourth highest mountain in the world. On 19 May at 10.25 Milan Romih and Aco Pepevnik conquered the top of 8516 meters high mountain. The movie is not just a display of climbing on a high mountain and related activities, but it also focuses on questions about the dependence of the local economy from tourists and climbers and related mountaineering ethics, represented are even climbers' reflections about the meaning of the life.
